The AluminArte™ prints are HD productions printed on commercial grade aluminum sheets. The images can be made in any dimension for your décor requirements, the prices featured are for standard sizes to give you a starting point, the images can be made up to 4x8 feet.

The float mount is an economical method for hanging and is limited to the maximum size of 24 x 36". The standard frames are edge-to-edge on 1" anodized aluminum framing.

Shipping is additional and is FOB Lexington, NC via UPS.
